

Attention all Coaches and Managers

Mansfield Eagles Team/Individual Photos 2019

Please find attached the team photo schedule.

Photos will be taken prior to your home game on that date.

No photos are scheduled for the mid-year vacation even though there are games.

Reminders will be emailed during the week beforehand.

It is strongly advised to encourage parents to have the players at the grounds 10 mins before the team time slot

If your players are late, they may miss out.

Absent players will have a 'catch up' individual photo but will not be in the team photo.

U9 and above – your photos are scheduled so you will still have a 30 min warm up time.

Please advise asap if you need to change your team's time.

To Ensure the Photos go as quickly as possible please:

Have your players wearing their team jersey. (Goalie can either wear team or goalie jersey)

Arrange them into height order

All coaches and managers are expected to be in the team photo, wearing a club shirt. (Spares will be available on the day)

Bring a soccer ball.

All photos will be at the northern end of the main soccer field behind the goal area.

If there is a problem on the day, my mobile number is 0432 495 433

Thank you

Alison Young - Team Photographer.
